

## THE NEW VENTURE FORMS AN UNPRECEDENTED PARTNERSHIP IN THE WORLD OF GLOBAL MEDIA PRODUCTION AND BROADCASTING.

The combination of our complementary businesses creates one of the world's largest and most significant broadcast technology and production companies. By aligning our strengths, expertise, and resources, we deliver an unparalleled range of media services and solutions to our clients worldwide.

We deliver broadcast, technology, production, and post-production solutions across many of the world's most-watched live events and entertainment programmes, working with the world's most renowned production houses and broadcasters.

EMG / Gravity Media is behind many of the world's most-watched sports events, such as UEFA EUROs, Formula E, the Open Championship, Australian and US Open and Tour de France.

Through our studios, production, post-production, outside broadcast facilities, RF and specialist camera technologies, EMG / Gravity Media work in many international markets; across entertainment projects including The Voice, Australian Idol, Strictly Come Dancing, The Masked Singer and I'm a Celebrity Get Me Out of Here as well as live events and major state occasions.

## WHAT WE DO

### PRODUCTION & CONTENT

We create thousands of hours of programming and original content for a wide range of clients. From full live remote production to internet streams, from design and graphics to fast turnaround highlights, from the outset we generate ideas and create engaging content for multiple platforms.

### MEDIA SERVICES & FACILITIES

Focused on providing equipment, production facilities and project management. Our end-to-end services span consultancy, planning and design through to set-up, pre-production, logistics, crewing and onsite infrastructure for large-scale live and near-live events on location across the globe.
